USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program. **Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card.

Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the

USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USEF, AHA, AND USDF RULES AND SPECIFICATIONS**

PERFORMANCE CHAMPIONSHIPS

To be eligible to show in a performance championship class, a horse must have been properly entered, shown and judged in at least one of the corresponding qualifying classes in the same section. **Horses placing 1-3 in qualifying classes designated by + must show or forfeit all prize money won in qualifying class.** Horses placed below 3rd in qualifying classes designated by + may show in the championship but are not required to do so. Horses shown in a class designated by ++ may show back in the appropriate championship class but are not required to do so.

BREEDING CLASSES

The Comparative Judging System will be used for all Breeding In-Hand classes included in **AHA COMP 815. CLASS PROCEDURE FOR COMPARATIVE JUDGING IN BREEDING IN-HAND** (Res. 20-13) and as outlined below.

1. Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated. The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail, or trot a counterclockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counterclockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse "on deck" shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter

clockwise down the rail. They shall resume their relaxed position at the end of the arena.

2. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Judge approves the placement and spacing of all horses.
3. After the last horse is presented, the adjudication process is complete and horses will not be further compared.
4. The judge shall give oral reasons for their decisions after the card is handed in.

PERFORMANCE CLASSES

All horses shall be worked at all gaits both directions of the ring and otherwise as described by class specifications, and will be asked to reverse direction at either the walk, jog-trot or normal trot. Judges are required to consider the performance at each gait equally in adjudicating performance classes. At judge's discretion, horses shall change from any gait to any other gait as listed in class specifications. Horses must come to the line up at the gait requested. In the line up, horses must stand quietly and may be asked to back individually or as a group. Horses not to stretch in the line up. Horses showing undue stress, inhumane treatment, or whip marks must be penalized.

MHAHA MEMBER ONLY CLASSES: Must be a present member of the Minnesota Half Arabian Horse Association prior to the class. Will be judged according to USEF AOTR specifications. Exhibitors showing only in Member Classes are NOT exempt from paying non-member fees.

PRO—AM CLASS: Open to all seats and will be judge according to USEF specifications for each specific seat. Professional will ride the first way of the ring and is judged as an Open class. Amateur rides the second way of the ring and is judged as an Amateur class. Riders change in the center of the ring. The Amateur will enter the ring when class is lined up. The professional will stay in center ring during the remainder of the class. No saddle changes allowed.

USEF HELMET/VEST RULE (GR801.4 Dress): Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective safety vest, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest meet or surpass the current ASTM standard or be certified by the Safety Equipment Institute.

MEDICAL WASTE: All medical waste must be disposed of in accordance with Minnesota medical waste guidelines. Sharps containers for the disposal of needles and syringes are located in each stalling barn.

PRINTING ERRORS: The show committee is not responsible for errors in printing. Correction of any errors will be posted in the show office.

TBA CLASSES: Will be offered on a first come, first serve basis. Any class on the AHA Class list or is recognized by AHA with the exception of Carriage, Over Fences, Dressage and classes requiring cattle can be selected. **There is an additional fee charged for TBA slots in addition to the normal entry fees.** In case that a 14 & under class is added the original 19 & under class will become 15 – 18 or if a 19 – 39 class is added then the original class will become 40 & over

Attire - For the Western rider: appropriate western shirt, pants, tie, boots and gloves are required. Chaps or western hats are not allowed.

Class Rules: Headers are allowed in if needed for safety, no whips or towels allowed in with them. Classes will be split at the 13th rider; splits will be shuffled to keep equitation and showmanship back to back for each age group. Class holds will be 2 minutes in length. NO EXCEPTIONS.

Equitation classes are judged on the riders basic equitation skills with correct diagonals and leads to be counted; proper use of the show ring is to be considered.

Showmanship classes are judged on the rider's horsemanship abilities. They are judged on a rider's ability to control and show their horse, including speed, collectiveness and placement in the ring. In canter classes, promptness in finding the correct lead is important as well as the rider's command of the horse.

Novice classes are for riders who have not received 3 blue ribbons in the academy division.

For riders under 18, safety helmets are mandatory. For riders over 18, safety helmets are optional but strongly encouraged

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

• A member can pay any number of Nomination Fees at \$20 and each one makes ONE of your horses/ponies eligible for Tri-State year-end awards. However, each of your horses earns individual points. We are requesting you to name the horses you plan to show - you don't have to pay a NOMINATION FEE for all of them unless you want to. This listing is to help our point-keepers with their year-end tallies.

If you are showing more than one horse (but only paid one Nomination Fee) and because of showing successes, each of your horses earns enough points to qualify for a year-end award - only your ONE "best horse" will actually WIN an award (determined by highest points and/or class standing). If you want every horse you own to be eligible for year-end awards, you must pay the \$20 Nomination Fee for each horse.

• Nominations can be made any time during the year, however, points will only count from the date your Nomination Fee is received. For instance, if you've made only one nomination and later in the season decide you'd like two horses to be eligible for awards - ONE horse will earn points only from the date the second Nomination Fee was received.

• If horses shown in Equitation Classes are to be eligible to earn points in other classes, i.e. Park Horse, a Horse Nomination Fee must also be paid for that horse.

• Equitation and Schooling/Academy Division Nominees must be Tri-State members. If under 18, they may be covered under a family membership.

• If a horse is owned by more than one person, ALL owners must be paid Tri-State members (except husband/wife/juvenile 17 & under). However, only one Nomination Fee need be paid.

• If a horse is sold which has already earned points during the show season - the new owner must be a paid Tri-State member. Points will then follow the horse to the new owner.
